

Dear Jose Ruben Garcia,

Welcome aboard! This letter confirms your exciting journey as a volunteer with Nuevo Foundation starting on 06/20/24

We're thrilled to have you join our mission! Your expertise in Arduino will be instrumental in equipping our participants with valuable skills in electronics and programming.

Through these workshops, you'll play a vital role in igniting a passion for coding in individuals from all backgrounds. Your contribution will empower them to explore the exciting world of technology and unlock new possibilities.

In the coming days, you'll receive further information about a volunteer orientation session and details regarding the Arduino workshops. We look forward to getting you started on this rewarding experience!

In the meantime, if you have any questions, please don't hesitate to reach out to any member of the team.

Thank you again for joining the Nuevo Foundation family. We're excited to embark on this journey with you!

Sincerely,

Beatris Mendez Gandica
